Subject: RE: New NED's

Hi Colin,

The offer letters from DAERA specified that candidates return a response by 10th November so we should know then.

I will update the timelines for proposed induction schedule and send through for discussion.

Regards

Subject: New NED's

HI [REDACTED]

Can we please contact Sponsor Branch on the declared date for the return of confirmation of appointments from each new NED to see who has agreed to be in place

Once we have this I would like to commence interaction with each of the NED's asap. My approach will be to arrange 1-1's with each off them prior to their formal date of appointment

At the 1-1's I will be referring to the induction process so can I have an up to date timeline and the approach we are taking

I would also like Roberta to meet them during November if that is possible

The big challenge I have is identifying the committee Chairs - I have a view as to who these should be but will wait until I meet the NED's to confirm

Talk soon

Colin
